The Chardon Township Board of Trustees met in regular session on Wednesday, July 18, 2018, at 7:00 p.m. at the Town Hall with the following present:

TRUSTEES: MICHAEL BROWN AND CHUCK STRAZINSKY
TIM MCKENNA, ABSENT
FISCAL OFFICER: BEVERLY BORAWSKI

Other attendees as seen on the attached sign in sheet.

The Pledge of Allegiance was recited.

Approval of Minutes

- Mr. Brown moved, seconded by Mr. Strazinsky to approved meeting minutes for July 3rd, July 6th and July 13th 2018
  AYES: BROWN AND STRAZINSKY

Guest Speaker: Larry Gaspar
Provided updates as seen in the attached documents.

Mr. Gaspar will provide the township with information as to who other townships use for their EMS billing

Resident's comments:

- Mr. Nowicki provided samples of trees that have damage due to mowing. The samples were saved to show to Mr. McKenna at a later time.
- Mr. Danzig gave a letter to the trustees regarding a zoning complaint of another resident (Smith family) encroaching on his property
- Mrs. Smith commented that she was distressed that Mr. Danzig didn't contact the Smith family first about the alleged encroaching.
- Mr. Brown, trustee, commented that this is really a civil matter and not a township issue. Asked for an update from Don Mohney. Mr. Mohney commented that he would prefer to discuss this after the meeting. Also, Mr. Mohney said that he will not communicate in a written response but will communicate verbally. Mr. Strazinsky commented that this is being dealt with in the same manner as any other zoning conflict in the township.
- Mr. Schumann gave an update on the little library. There are 4 hardback books and 50 paperbacks. The next park committee meeting is on July 23, 2018 at 7 p.m.
- Mrs. Quinn asked if Hermitage Lane would ever be paved. Mr. Brown said the he highly doubts that the road will be paved.

Road Department Report-John Waschco, Road Superintendent
See attached report.

Mr. Brown made a motion to approve the Dominion Energy Rosewood Drive WOF Project as per the attached plan. Seconded by Mr. Strazinsky
AYES: BROWN AND STRAZINSKY

CHARDON TOWNSHIP ROAD REPORT
July 4-18, 2018

1. Clean up numerous tree limbs from storm on the evening of July 5.
2. Replace all front wheel studs and wedge locks on 98M. Wedges were worn out and caused studs to bend severely.
3. Repair air conditioning on New Holland Hydro-Axe. Kirtland paid for parts.
4. Repair several sections of washed out berm on Mitchell Mills.
5. Ditch 100 ft. on Breckenridge and jet pipe out.
6. Sewer jet pipe on Oakstone, 3 on Oakhollow and ditch 70 ft.
7. Ditch 200 ft. on Brentwood and jet out 3 pipes.
8. Durapatch east end of Clark Rd.
9. Durapatch intersection of West Mountainview. (Bad cracking)
10. Durapatch numerous bad spots on Griswold Rd.
11. Ditch 200 ft. on Oakstone.
12. Dress up 300 ft. of ditch on Eden Park, seed and straw it.
13. Install apron at 11190 Clark Rd. (Left over drive pipe job)

Other Topics

1. Almost done with loss estimate for damage done to sewer line and water line by Windstream boring crew. Current total is $28,873. Waiting on 2018 wage calculations and estimate to remove and replace 26 ft. by 110 ft. section of road garage parking lot.

2. Dominion wants approval to work in the right-of-way on Rosewood near the intersection of Catalpa to replace approximately 96 feet of MP line with 107 feet of MP line due to exposure. (Plans supplied)

3. Talked to a rep at Cargil who stated that we might still be able to be added to the winter contract since we were never notified. He said we would have to get ahold of ODOT and ask them to see if they could get us added to the list through the supplier. Concord received an email from ODOT on April 26.

4. Tim received a call from a resident late on the evening of July 17. They were upset that the ditch in front of their house was marked for OUPS and cleaning. I contacted Jim Toutant at 10535 Calico and told him that we were going to be ditching just south of his property and that since we were there we would clean a few inches of silt from his pipe inlet. He was very adamant about not having his property/ditch disturbed at this time. I told him that if drainage at his property has not a problem then we would skip his ditch. He was very happy with the outcome of our conversation.

5. Spoke with John O'Keefe at 10655 Calico after Chuck met him to discuss the 6 inch buried ditch pipe going across his property. It appears to be draining fine, even after very heavy rains. Also, it does not appear to be causing any issues with the edge of the roadway. It was decided that we will remove 20-30 ft. of the pipe at the north end of his property and create a small retention basin with 2 concrete check dams to catch debris and allow for future maintenance.

6. I will be on vacation from the afternoon of July 19 through July 29. Ron Dunning will be handling the day to day operations of the road department. A work schedule has been completed to cover this time period for the crew.
