Road Levy

- Discussion ensued over the need for a road levy to be placed on the May 2021 ballot.
- The road superintendent, John Washco, reported that he met with Shane Hajjar, Geauga County Engineer. He reported that Shane told him that if we do not "increase our road levy and start a serious road paving program, we will reach a point of no return." Shane said, "in order to have a 20-year paving cycle for 36 miles of roadway, we would need an additional \$500,000 per year." John also said that residents need to be properly educated about the need for the road levy and will hopefully assist in the effort to pass the road levy.

RESOLUTION #8, 2021

A RESOLUTION FOR A CERTIFICATE OF NEED

WHEREAS the Board of Trustees of Chardon Township, Geauga County, Ohio, has determined the amount of taxes which may be raised within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide an adequate amount for the necessary requirements of the Township and it is necessary to levy a tax in excess of such limitation for the purpose of:

ORC 5705.19(G) for the general construction, reconstruction, resurfacing, and repair of streets, roads, and bridges in municipal corporations, counties, or townships.

In Chardon Township as provided and authorized in Section ORC 5705.19(G); and

WHEREAS the levy is at a rate of 2.75 for 5 years and is an addition; and

WHEREAS the ballot measure shall be submitted to the entire territory and the tax shall be levied on the entire territory and within Geauga County; and

WHEREAS the levy is to be placed on the May 4, 2021 ballot and shall be first levied in the tax year 2021 and begin collection in 2022: and
