ADDENDUM I

May 25, 2021

Revised June 14, 2021

Under Ohio Revised Code, Chapter 5747, The "Undivided Local Government Fund" shall be distributed:

Whereas, the present alternate method per ORC 5747.53 adopted on August 07, 1989 by the Geauga County Budget Commission and approved by the majority of the Townships and Municipal Corporations (Villages) as well as the County is as follows:

- (a) 38% County share
- (b) \$15,000 floor (base) for each Township and Village.
- (c) All excess distributed proportionately based upon population as certified in the latest Federal Decennial census.
- (d) Each Park District shall receive, based upon the latest certified Federal Decennial census as follows:
  - 1990 – fifty (.50) cents per capita
  - 1991 – seventy-five (.75) cents per capita
  - 1992 and subsequent years – one (1) dollar per capita.

Whereas, the existing allocation has been reviewed by the Geauga County Budget Commission and it was determined that circumstances have evolved and developed since the 1989 proposal and

Thereby, justifies alterations to be adopted to the alternate method for distribution of "Undivided Local Government" to be enacted as defined beginning 2022 and subsequent years, receipts from the "Undivided Local Government Fund" are to be distributed as follows:

- 1. 38% County share
- 2. \$15,000 floor (base) for each Township, Village and City located wholly in the county.
  - (a) If any Township, Village, or City is not located wholly in the county, the distribution will be based on one (1) dollar per capita within the boundaries of Geauga County; based upon the latest certified Federal Decennial census.
- 3. All excess to be distributed proportionately based upon population as certified in the latest Federal Decennial census to each Township, Village and City located wholly in the county.

Whereas, in order to receive funds pursuant to the above-stated formula, each qualifying subdivision shall have complied with Ohio Revised Code Sections 5705.29 and 5705.30 and their prior year budget was approved by the Geauga County Budget Commission and

Whereas it was determined that Park Districts have opportunity to pursue other revenue sources by addressing the taxpayers and placing a levy on the ballot for vote and/or petition their associated local government for financial support.

Thereby, it was deemed reasonable that Park Districts will not participate in the "Undivided Local Government" distribution under this alternate method.

The following compares the UDLG estimates as they presently exist for 2021 against the proposed estimates for 2022: see "2021 UDLG Current, Proposed, and Difference Distribution Formula".
